

FOR IMMEDIATE RELEASE:

AsiaFIN's CEO Interviewed on Harvest Communications Podcast

Company Discusses Initiatives to Create Profitable RegTech Business Focused on Asia, the Middle East, and Targeting North America

Kuala Lumpur, Malaysia (ACCESS WIRE) June 27, 2025 – [AsiaFIN Holdings Corp.](#) (OTCQB: ASFH), a leading fintech financial ecosystem enabler, today announced that its Chief Executive Officer, KC Wong, was recently interviewed by Carmel Fisher on the [Harvest Communications](#) Podcast.

The interview discusses AsiaFIN, the 24-year-old financial services company, and its ongoing transformation to providing sophisticated and comprehensive RegTech solutions to financial service enterprises throughout Asia. Mr. Wong also discussed the recent expansion into Saudi Arabia, AsiaFIN's ninth country launch. Mr. Wong shares his thoughts about building relationships with central banks and the company's proven ability to navigate complex regulatory environments.

Interested parties can listen to the podcast [here](#).

Notice Regarding Forward-Looking Statements

This press release contains forward-looking statements as defined within Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. By their nature, forward-looking statements and forecasts involve risks and uncertainties because they relate to events and depend on circumstances that will occur in the near future. Those statements include statements regarding the intent, belief or current expectations of AsiaFIN and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements.

AsiaFIN undertakes no obligation to update or revise forward-looking statements to reflect changed conditions. Statements in this presentation that are not descriptions of historical facts are forward-

looking statements relating to future events, and as such all forward-looking statements are made pursuant to the Securities Litigation Reform Act of 1995. Statements may contain certain forward-looking statements pertaining to future anticipated or projected plans, performance and developments, as well as other statements relating to future operations and results. Words such as “may,” “will,” “expect,” “believe,” “anticipate,” “estimate,” “intends,” “goal,” “objective,” “seek,” “attempt,” “aim to,” or variations of these or similar words, identify forward-looking statements. These risks and uncertainties include, but are not limited to, risks associated with AsiaFIN’s operating history, recent history of losses and profits, ability to adequately protect its software innovations, dependence on key executives, ability to obtain required regulatory approvals, other factors described in AsiaFIN's Annual Report on Form 10-K and other factors as may periodically be described in AsiaFIN's filings with the U.S. Securities and Exchange Commission.
