SEATech Ventures Corp's Incubatee AsiaFIN Holdings Corp Has Obtained Trading Symbol

KUALA LUMPUR, MALAYSIA / ACCESSWIRE / April 26, 2022 / SEATech Ventures Corp. (OTC PINK:SEAV) is proud to announce that the company's first client AsiaFIN Holdings Corp. (**AsiaFIN**) has obtained its trading symbol: **OTC PINK: ASFH**.

AsiaFIN has obtained S-1 Effectiveness last year when the United States Securities and Exchange Commission approved the company for public listing in the US Capital Market.

Since then, the company has completed its IPO fund-raising and gone through the process to obtain the company's trading symbol in order to begin public trading of its company shares.

SEATech currently holds 10 million shares of AsiaFIN.

CEO of SEATech Ventures Corp, Mr Chin Chee Seong said, "This achievement is a great testament to our business model and strategy. As this is the first of many to come, AsiaFIN's success story will continue to inspire and pave the way for the companies currently under our incubation model, as well as all future aspiring Unicorns."

About SEATech Ventures Corp.

Headquartered in Kuala Lumpur, Malaysia, SEATech Ventures Corp. (OTC PINK:SEAV) (a Nevada corporation) aspires to nurture and incubate emerging growth technology companies in South East Asia that aim to become tomorrow's Asia unicorns. SEATech is an incubation and mentoring platform which pools together talents that are equipped with technical, market developmental and financial expertise. We provide mentoring and consultancy on growth strategy through business combination and integration for companies to expand their business across Asia. We advise companies to monetize, capitalize and securitize their businesses by providing funding strategies which include securitized equity crowd funding, private-placement and public listing. With a vast experience in business and ventures, our key management team possess formidable business acumen and have access to a network of managing partners across Asia who are committed in introducing high quality deal-flows to us. SEATech is well positioned to be recognized as an influential Asian Corporate Venture Capital firm in transforming, securitizing, capitalizing and internationalizing Asia's next technology Unicorns.
